

**ENGLISH VERSION OF THE LONDON MEASURE OF UNPLANNED PREGNANCY TOOL**

There is a list of possible answers for each question. Please wait and listen to all the responses and then choose the option that is most applicable to you and tell me which one it is. I would like to ask you some questions that are about your circumstances and feelings around the time you became pregnant. Please think of your current and/or most recent pregnancy when answering these questions. For every question there is a list of possible answers. Please wait and listen to all the responses and then choose the option that is most applicable to you and tell me which one it is.

Qn#	Question	Coding Categories
The first question has four possible options. You are requested to first listen to all options and then select the most appropriate answer. This question asks about methods that prevent becoming pregnant. These may include condoms, pills, injectables, implants, coil, vasectomy, tubal ligation, or any other modern method.		
01	In the month that you became pregnant.....	<i>You were not using any method to prevent pregnancy. ...1</i> You were using a method inconsistently that prevents pregnancy.....2 You always used a family planning method but it failed. ( example: it got cut, moved position, fell out, it didn't work and others) at least once.....3 You always used a family planning .....4
Now am going to ask you a question, but there are three answers for it. You are requested to select and tell me <b>the best option</b> .		
02	<u>In terms of becoming a mother</u> , you felt that your pregnancy happened at the	Right time .....1 ok, but not quite right time.....2 wrong time.....3
The next few questions ask for information before you became pregnant. This question also has three possible responses to it. Please choose the best option that is most applicable to you and tell me which		
03	Before you got pregnant	You <b><u>intended to get pregnant</u></b> .....1 Your intentions kept changing.....2 You did <b><u>not intend to get pregnant</u></b> .....3
This question also has three possible options to it. Please choose the best option that is most applicable to you and tell me which one it is.		
04	Just <u>before</u> you got pregnant....	You <b><u>wanted to have a baby</u></b> .....1 You had varying feelings about having a baby.....2 You did not <b><u>want to have a baby</u></b> .....3
In the next question, we ask about your partner. By partner we mean <u>the father of, or the man responsible for your last pregnancy</u> . This may be your husband, a partner you live with, a boyfriend, or someone you've had sex with once or twice or client. There are three options for the next questions. Again thinking about before
